

Office of the President

July 31, 2020  
Until now to try to make as  
feedback from the State of New  
may have on our faculty and staff,  
their planning.

ment, that we want to continue to  
this crisis. To that end, we are  
members who have child care  
now. We are asking that  
discuss this with their supervisor.

Executive Cabinet member for final  
communicate about a proposed  
plan, working parents may be  
concerned that this is a tremendous strain on  
comes to their ability to properly  
communicate expectations to ensure that
