BUILDING 90

The image consists of two identical aerial photographs of a large stadium, stacked vertically. The top photograph has its bottom portion obscured by a solid black rectangle. The stadium's seating bowl is visible, showing a complex arrangement of tiers and sections. The upper rim of the stadium features a series of rectangular openings, likely for lighting or ventilation. The text "BUILDING 90" is centered between the two images in a large, black, sans-serif font.
