Daemen College
Faculty and Staff

Dear Colleagues,

As we approach the end of another productive academic year, I am writing with some updates.

Several of you have asked if there is any news about whether the Governor's "free-tuition" program will affect Daemen's student enrollment. The answer is that it is still too soon to know. Enrollment of new first-year students traditionally stabilizes in the first three weeks of May. We are monitoring tuition and room-and-board deposits on a daily basis. Also, transfer student enrollment traditionally does not stabilize until later in the summer.
